| What percent of your site is impervious? (surfaces such as pavement and buildings, as opposed to pervious surfaces such as landscaping and dirt)<br>_____ % |  |

**TO AID YOUR BUSINESS IN COMPLYING WITH STORMWATER QUALITY REGULATIONS:**

Best Management Practice (BMP) Fact Sheets are provided by the County to educate you and your staff in preventing stormwater pollution. These Fact Sheets address a wide range of business activities, such as vehicle washing, outdoor storage and waste handling and are available to print and download free of charge at [http://www.ocwatersheds.com/StormWater/documents\\_bmp\\_intro.asp](http://www.ocwatersheds.com/StormWater/documents_bmp_intro.asp).

**SIGN BELOW ONLY IF YOU CIRCLED "YES" AT LEAST ONCE ON THE FRONT PAGE.**

"I, the undersigned, hereby state that I have read, understand and will comply with all rules and regulations of storm water runoff pollution prevention including federal, state, and local regulations.

I am also aware that any violations to the water quality regulations, whether ongoing or intermittent, may result in additional enforcement action in accordance with the City's Water Quality Ordinances including possible fines of \$100 for the first violation, \$200 for a second violation, and \$500 for each additional violation. Payment of the fine shall not excuse the failure to correct the violation nor shall it bar further enforcement action by the City. Additional enforcement actions include administrative abatement, civil penalties, revocation of permits, recordation of notice of violation, withholding of future municipal permits, criminal prosecution and/or civil injunction, and order for reimbursement including costs of inspection, investigation and monitoring, cost of abatement, legal expenses, and cost relating to the restoration of the environment.

I am also authorized to act on behalf the firm and will relay this information to the appropriate personnel who perform any of the above-mentioned activities."
